

Mission Statement:

Encouraging creativity, interaction, learning and community through play

Our Vision:

To provide play facilities and recreation areas for children in the local community so they can:

- Improve their communication, creativity, thinking and life skills
- Improve their understanding and contact with other children
- Promote different types of active play
- Stimulate play ideas, confidence and interaction with other children
- Reinforce learning, knowledge and understanding
- Connect with the community, the environment and other children and adults
- Confront physical challenges
- Cultivate emotional, social and physical development

Policy:

We strive to ensure the play and recreation facilities are designed to meet the needs of children of varied ages.

We strive to continue to improve, maintain and develop these facilities to a safe and secure standard to allow future generations to enjoy the same opportunity.

We strive to develop and foster the spirit of neighbourly co-operation and community cohesion in the Heathfield Area.

We strive to provide facilities that are inclusive for all.
